

Jane Doherty

PSYCHIC MEDIUM

Jane Doherty is one of the nation's leading authorities on psychic experiences. For more than 20 years, she has acted as a communication bridge between the living and the departed, and has helped tens of thousands of people understand their past—and future.

Paranormal expert Dr. Hans Holzer named Jane as one of America's "Top 20 Psychic's." She also conducted the 82nd official Houdini séance for the inner circle of magicians and Houdini enthusiasts.

Jane's media coverage includes: *The New York Times*, CNN, Fox News Network, MSNBC, Reuter's news media, and *The Today Show*. She co-hosted a psychic call-in show for eight years, published a book called *Awakening the Mystic Gift* and starred in the TV series "Dead Tenants," for TLC—as well as "Jane Doherty Investigates,"—a DVD series. Other appearances include: "Dead Famous," "Sightings," the "Jenny Jones Show" and "Ghost Stories" seen on the Biography Channel.

As President of the Jersey Society of Parapsychology, Jane pioneered the first New Jersey Ghost Tours and public séances in 1989, and has since helped counteract the public's fear of the unknown. Her book, *Awakening The Mystic Gift: The Surprising Truth About What It Means To Be Psychic*, reveals Jane's personal story and sheds insight on how you can develop the psychic within you.

The Philadelphia Inquirer, *New York Post*, *Woman's World Weekly*, *Mysteries Magazine*, *Weird NJ*, *The Bridal Guide*, and *Woman's Own* are among the numerous publications which have highlighted her work as a ghost-busting, paranormal expert. Her voice has been heard on more than 200 radio shows including *Coast to Coast*, "X" Zone radio, CBS Psychic Radio, *Fox Across America*, the *Joey Reynolds Show*, *Playboy Radio*, *Ghost Chronicles*, *Ghost Census Radio* and many others.

Jane's ghost investigations have taken her to notable places, such as the Lizzie Borden House, Alcatraz, the William Heath Davis House in San Diego, the Palace Hotel in San Francisco, and the Proprietary House in New Jersey.

She has assisted law authorities in homicide cases, was retained as an expert witness for a U.S. Postal Service investigation of a major fraud case involving psychic claims, and has contributed to the history of New Jersey when her expertise was used for an archeological dig.

Jane has presented at several national conferences, including *Ghost World the World Mysteries Conference*, NY, San Francisco's *Learning Annex* and the *Learning Light Foundation* in Anaheim.

As well as private consultations, Jane conducts ghost investigations and séances—and offers classes including *Psychic Boot Camps* to those seeking to discover and develop their psychic abilities.

Jane recently starred in an international movie, where she is cast as Clara. The supernatural thriller is due for release later in 2010.
